

First Class

**Get ready for your ticket to “Heroes First Class”
May 12th-15th, 2022!**

Location: Skydive Paraclete XP

Dates: May 12th-15th, 2022 (Thursday, May 12th is an optional canopy day, see below)

Scope: So many “Firsts” for this First Class event!

- All jumpers will have a packer packing for this special event, so our entire team will be able to focus our time on quality dirt dives and debriefs!
- The six packers traveling in for this event are the best of the best. They will be dedicated to us and will be a highly respected part of our team.
- We will have a professional canopy coach providing ~20min of landing debriefs after every jump, as well as evening seminars prior to dinners.
- The first day of the event will be an optional all day canopy course.
- We’ll be doing challenging high-end complex sequential 14-ways in the mornings and 28-ways in the afternoons. The jumps, animated dive Engineering, and slotting will be provided in advance, so we can come ready to rock some amazing skydives!
- We’ll have TWO videographers to capture our magic, and they’ll fill the Casa at 30 total seats full.
- Even more “first class” than the all the other Heroes Skydiving events, this event will bring all other skydiving Bigway invitational events to an all new level of luxury, catering, fun, and all-round “First Class”!

Participation: This event filled to the plane max (28+vid) before it was officially open!
Congratulations on your pre-invite to this ‘never been done before’ special event!
